PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

C. P. PTA Honors Mrs. Ila Howell

Mrs. Ila Howell, who retired this month as a school bus driver after transporting Canal Point children to and from school for 17 years and 5 months, was honored by members of the Canal Point Parent-Teacher Association at the January meeting held in the school auditorium with the president, Mrs. Joe Cherry, Jr., presiding.

Read at the meeting by Bert Jaudon was a letter of citation from Roger Atkins of West Palm Beach, supervisor of transportation for Palm Beach County Schools, commending Mrs. Howell for her outstanding record of service during her employment by the County School Board. Atkins estimated Mrs. Howell's bus carried 288,000 student passengers while she was at the wheel. During this period not a child was injured and at no time was her bus involved in an accident, he said in the letter.

Mrs. Howell is the first school bus driver to be eligible for retirement in the Glades area. She was introduced by A. R. Harrington, program chairman, who presented her with a potted plant as a gift from PTA. Mr. Harrington also introduced her to the audience.

Excess Fees From Outgoing Assessor

Retiring Tax Assessor Dave Stewart gave the County Commission a bit of a belated Christmas gift upon leaving his office.

Stewart appeared before the county commission Monday to turn over excess fees from the tax assessors' office in the amount of \$227,753. He termed the amount one of the largest excess fee accounts the county had ever received from any of its fee offices.

Stewart told the board that while he was assessor he had banked his excess fees and had earned some \$4,000 worth of interest for the county. It was the first time, he said, such a banking policy had been carried out.

The commission adopted a resolution of appreciation for Stewart, calling attention to his service as tax assessor and his previous service as chief clerk of the office.

In another resolution adopted by the commission this week, the board commended retiring Judge Richard Robbins for his long and faithful service to the county—a span of 37 years as county judge.

New Engineer Is Named By Sugar Co.

CLEWISTON—President H. F. Vaughn of the United States Sugar Corp. recently announced that effective Jan. 1, 1961, Frank E. Conkling was promoted from assistant drainage and railroad engineer to the position of director of engineering.

Mr. Conkling assumes the position formerly held by W. C. Owen, deceased, which covers the departments of civil engineering, drainage, railroad operations and maintenance, and real estate, all of the former departments which were under the supervision of Mr. Owen.

Stephen Foster Week Set At White Springs

WHITE SPRINGS—Stephen Foster week, to be observed with several special concerts and musical events at the Stephen Foster Memorial, will mark the beginning of a county-by-county "get acquainted" program at the state-owned attraction, according to Director Foster, L. Barnes.

"From time to time it is planned to invite citizens from counties throughout the state to accept free admission on weekends to the Memorial," Barnes said.

Visitors will be admitted free by showing drivers' licenses or license tags. All occupants of the car will be admitted free with the driver, Barnes added.

Louisiana Sugar Cane Growers Visit

Sixty-five sugar cane growers, processors and agricultural agents from the State of Louisiana were visitors in Canal Point Thursday at the United States Sugar Cane Field Station. They spent the first part of the week visiting sugar cane operations at Clewiston and Okeelanta and planned to visit Fellemsere before leaving South Florida.

The group came to Canal Point on two large chartered buses and inspected closely the work going on at the Field Station here. Much of the cane grown in Louisiana came from stock seed perfected at the local station. More than 300,000 acres of sugar cane grown in the Louisiana area is ground in 40 small mills in that state. The majority of the harvest has been completed there, according to the visitors.

The visitors were pleased and surprised at the lush growth in the Lake Okeechobee Region at this time of year. With bean, celery, cane and corn fields a deep green at this time of year they commanded the attention of the visitors. The group ate at the Community Building in Canal Point where one of the usually luscious luncheons was served.

Danger Of Alcohol Told Pahokee PTA

The hidden dangers of alcoholic beverages, especially to teenagers, were stressed by Jack Eppes of Lakeland, executive secretary of United Christian Action, in an address before members of the Pahokee Parent-Teacher Association at the January meeting held in the high school auditorium with President W. O. Moss presiding. His talk was followed by a question-and-answer period in which the topic was discussed by the audience.

The monthly attendance awards were won by Mrs. Frances White-side's fourth grade room at the elementary school and by Norma Norman's ninth grade at the high school. Girl Scout Troop 247 was in charge of the opening flag ceremony. Ladies of Ridgcrest Gardens acted as hostesses during the serving of refreshments following the meeting.

Ben Sundry Is Head County Commission

County Commissioner Ben F. Sundry, Delray Beach, a 10-year member of the county board, was named chairman of the group when the commission held its annual reorganization meeting Monday.

The session also saw two new commissioners and incumbent Paul Rardin, Canal Point, take oaths for the start of four year terms on the board.

New commissioners sworn into office by Circuit Judge Russell O. Morrow were E. F. Van Kessel, Juno Beach and Edward Bandlow, Lake Worth. The two new commissioners—the first Republicans ever to sit on the county board—succeeded Kenneth Foster, West Palm Beach and Roy E. Michael, Jr., Lake Worth.

Rardin, retiring chairman of the board, re-elected without opposition for another four year term.

Chairman Sundry, who previously headed the board in 1955, will have as his vice chairman, Commissioner Lake Lytal, West Palm Beach, a member of the board for nearly 20 years.

The commission also reappointed all its present department heads and employees and set the time for regular meetings as on second and fourth Mondays of each month. Time of the sessions, 10:30 a. m.

Administrative meetings, to be held at the call of the chairman, were set for Monday's at 2 p. m.

Former Hospital Head In State Job

Harold Wetzel, former administrator of Everglades Memorial Hospital in Pahokee, has been named consultant in the hospital division of the Florida Development Commission in Tallahassee. Mr. Wetzel was at the Pahokee hospital in 1952 and 1953. He left here and went to Fort Pierce where he was employed at the hospital there before going on to Pennsylvania where he was administrator of the North Cambria Hospital at North Cambria, Pa.

During this stay in Pahokee Mr. Wetzel gained a large number of friends who will be happy to know that he is again in the state and that he is associated with state government in Tallahassee.

New Ice Platform Near State Market

City Products Company will erect a new ice platform on the plot of state owned land immediately north of the Farmers Market in Pahokee, according to R. L. Hurt who is associated with the ice concern. The land has been leased from the state and construction will start immediately, Mr. Hurt said.

The small triangle plot is ideal for the erection of the planned platform, Mr. Hurt said. J. G. Weeks and Sons will start immediately clearing the plot and construction of the platform will be done by Wiley Tills, Pahokee Contractor. An expenditure in the neighborhood of \$10,000 is planned.

Bandages Prepared For Cancer Patients

Several Pahokee women met in the fellowship hall of the First Methodist Church Wednesday for a day of helpfulness during which they prepared bandages for cancer patients. Others are urged to participate in this project at the next general meeting, Feb. 1. Helping out Wednesday were Mrs. Guy Wood, Mrs. Veronica Tarr, Mrs. L. G. Alderman, Mrs. Don Collier, Mrs. John Padgett, Mrs. Wendell Harris, Mrs. C. R. Wetherington, Mrs. Leland Keene, Mrs. T. J. Osteen, Mrs. Robert C. Hutton, Mrs. C. C. Lemon, Mrs. J. H. Wilkinson, Mrs. David Unwin, Mrs. W. A. Reynolds and Ms. Lloyd Hundley.

Tag Sales Lag, Wait In Line In Offing

The sale of motor vehicle license tags at the Glades Office Building is lagging behind last year's sales, according to Mrs. George Young, head of Tax Collector Stetson O. Sproul's branch office in the Glades.

During the first four days in 1960 a total of 333 tags, costing \$10,931.11, were issued at the Glades office, as compared to 463 tags, costing \$9,456.60, for the first four days this month, she said.

This year, for the first time, the Q series of tags for antique automobiles are available at the Glades office. This tag costs \$5.25 for cars of all weights that are 20 years or more old, however, any applicant for this tag must present a certificate from the Florida Highway Patrol showing that the car has been inspected and approved by FHP as safe for use on highways.

Mrs. Young urges all Glades residents to purchase their license tags as soon as possible to avoid long periods of waiting in line at the tail end of the purchase period. Police Chief Leon Guthrie of Pahokee was the first person to purchase a 1961 license tag at the Glades office, she said.

Legislation To Be Aired At PTA Meet

"Legislation," both planned and needed, will be discussed at Palm Beach County Council of Parent-Teacher Association's meeting to be held January 17, 8:00 P. M. at the Belle Glade High School Auditorium, according to Mrs. Lawrence Leviton, Legislative Chairman for the Council.

The second in a series of programs entitled "Family Assignments for the Sixties" will deal with legislation concerning children and their welfare and education, in line with the third object of National Congress of Parents and Teachers: "To secure adequate laws for the care and protection of children and youth."

Ralph J. Blank, Senator, 35th District; Emmett S. Roberts, Representative Palm Beach County and Jerry Thomas, newly elected Representative Palm Beach County, will make up the panel and will answer pertinent questions previously prepared by members of the Council.

Pahokee Planning Set For Future

The Pahokee City Council in regular session Monday night named six members on the seven-man Board of Adjustments, a new board created under the zoning act. Wiley Tills, J. M. Alderman and Joe Kahn were appointed for three-year terms each; J. C. Blanton, Lewis Friend and L. E. Caruthers, two-year terms each. The seventh member of the board, with a one-year term of office, is yet to be named.

Raymond B. Crosby reported to the Council that he plans to build 48 two-bedroom cottages in the Negro residential section, and asked for minor changes in the zoning to permit their construction. His request was referred to the Planning Board for recommendation and a hearing on the proposed change in zoning was set for Jan. 30.

E. R. Boland appeared before the group, requesting two weeks for the preparation of a petition in opposition to the proposed rebuilding of sidewalks on Bacon Point Road. He was told this is unnecessary as no action will be taken on this project at the present time if home

Federal Savings Show Big Growth

Nearly thirteen million dollars are tucked safely away at Everglades Federal Savings and Loan Association in Belle Glade, according to the regular statement being published this week by that fast growing financial institution. Actual savings, according to the statement, amount to \$12,841,017.27 which is a lot of hard earned cash in any language.

The concern has shown phenomenal growth during the past few years and at present pays high dividends that any other like institution in the State of Florida. The current rate of dividend is 4 1/4 percent per annum and all accounts are insured up to \$10,000.00 by an instrumentality of the United States Government.

Robert Apelgren of Pahokee is chairman of the board; Robert E. Mathews, Jr., of Belle Glade is president and Richard A. Foster of Belle Glade is executive vice president and manager of the Association. These men are surrounded and supported by an outstanding board of directors made up of leading business and professional men of the Lake Okeechobee Farming Region.

Two Week Revival At Church Of God

Mrs. Christine Misskelly of Ocoee, Fla., evangelist, is conducting a two-week revival at the Church of God of Prophecy, Pahokee, with services daily at 7:45 p. m. She is being assisted by Betty Baker. Special music for the revival is being furnished by Gary Sanders, pianist, R. W. Singletary, song leader, and a vocal trio known as the Harmonettes.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week agreed to call for an immediate audit by the state of the commission's operations for the past two years.

The suggestion for an immediate audit, made by E. F. Van Kessel, new member of the county board, in behalf of himself and Commissioner Edward Bandlow, Lake Worth, another freshman member of the commission.

Meantime, Van Kessel said, he believed the commission should review the last state audit made about two years ago.

In other actions this week the commission:

Voted to call for bids for two

compact cars for Commissioners Van Kessel and Bandlow.

Approved the bonds of 33 deputy sheriffs—29 of them for special deputies.

Agreed to protest a state road department plan to relocate State Road A1A at Boca Raton.

Decided to offer its cooperation to the Lake Worth Drainage District in drafting proposed legislation which would allow the establishment of sub drainage districts within the LWDD in the interest of improved drainage conditions.

Authorized members to attend a school of instruction for county commissioners to be held at Tallahassee Jan. 27 and 28. Commissioner Paul Rardin and County Attorney Harry Johnston will take part in panel discussions during the school.

Enrichment Class Enjoys Luau Party

The children of Mrs. Evelyn Lair's Enrichment Class at the Pahokee Elementary School enjoyed a luau party at the school cafeteria Wednesday, making the completion of several weeks of study of the State of Hawaii.

A special table at the cafeteria for the children and their guests was decorated with hibiscus, pineapples and other tropical flowers and fruits native to Hawaii. The place cards were made by the children. The luau, featuring roast pork, baked sweet potatoes and coconut cake with pineapple sahili, was prepared by Mrs. Ralph Stanley, cafeteria manager, and her staff. Although prepared especially for Mrs. Lair's pupils, it was served to the other school children, as well during the lunch hour.

Special guests, in addition to the parents of the children, were Mrs. Marjorie Crick, co-ordinator of the exceptional children's program for Palm Beach County schools; Dr. Mary Margaret Burns, psychologist for Royal Palm Schools, and Mrs. Margaret Mosley, Palm Beach County elementary school supervisor for the Glades area.

Following the luau, the children presented a quiz program on Hawaii in the school auditorium. The panel included Ginger Willis, Sharyn Zimmerman, Lois Adams, Elizabeth Gist and David Caraway, with Marcia Geiger serving as moderator.

After the quiz show Mrs. Ralph Stanley showed color slides of Hawaiian scenes she had photographed while touring Hawaii three years ago, with comments on the various scenes.

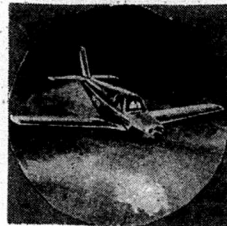

ARBOR DAY PROGRAM

An Arbor Day program will be presented by Mrs. L. W. Armstrong at the January luncheon meeting of the Pahokee Garden Club at the home of Mrs. Lloyd Hundley Tuesday. Luncheon hostesses will be Mrs. O. R. Bleech, Mrs. Carl Kolstad and Mrs. W. C. Darden.

INTERIM PASTOR

Dr. B. A. Bowers of Belmont, N. C., is filling the pulpit as interim minister at the Pahokee First Baptist Church, which has been without the services of a full-time pastor since the Rev. James E. Boyd resigned last summer to become pastor of the new Forest Hill Baptist Church in West Palm Beach.

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

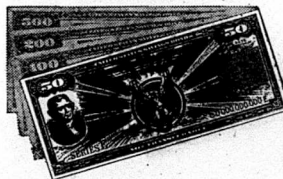

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Wilbur King New Head RRPUC Board

Wilbur C. King has just been elected by his fellow commissioners to serve his third term as Chairman of the Florida Railroad and Public Utilities Commission.

In accepting the chairmanship of this state agency, often referred to as "the agency closest to the public pocketbook," King stated that his primary objectives would be to expedite Commission business to obtain additional funds from the next Legislature and to see that the public is better acquainted with the duties and aims of Commission business in the future; second, we must obtain from the next Legislature the necessary funds to enable us to do the kind of regulatory job the public needs, and third, I expect to see that the public is adequately informed of the responsibilities, duties and accomplishments of their state Commission.

The new chairman, in conference with Commissioners Jerry W. Carter and Edwin L. Mason and members of the staff, told them he knew the Commission would continue to do the best possible job within the limits set by the manpower and tools made available to it. He reminded them that the financing of the Commission has been the subject of newspaper editorials and was sure that the Legislature will recognize the added responsibilities of the RRPUC and make adequate provisions for them to be carried out by appropriating the necessary funds.

Billy Graham To Hold Miami Meet

MIAMI — "God's Blueprint for Revival" was disclosed to more than 300 persons Sunday afternoon at a Prayer Rally in preparation for the United Prayer Program of the Billy Graham Greater Miami Evangelistic Crusade, March 5-26.

The rally, in the Miami Shores Presbyterian Church, was the first of three preparatory sessions sponsored by the General Prayer Committee of the Crusade. Similar rallies will be held at 3:00 P. M., Sunday, January 15, in Central Baptist Church, 500 N. E. First Avenue, and Sunday, January 22, in First Methodist Church of Coral Gables, 536 Coral Way.

The prayer leaders who attended the Miami Shores rally, the nucleus of more than 100 persons recommended by their pastors as participants in the United Prayer Program, heard repeatedly that there can be no revival unless Christians follow the "blueprint" given in II Chronicles 7:14:

"If my people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Christian Science Group Of Canal Point

How true health and harmony are established will be brought out in the Lesson-Sermon entitled "Life" at Christian Science churches Sunday.

Included in the Bible readings is this statement from Deuteronomy (5:33): "Ye shall walk in all the ways which the Lord your God hath commanded you, that ye may live, and that it may be well with you, and that ye may prolong your days in the land which ye shall possess."

This passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "Our proportionate admission of the claims of good or of evil determines the harmony of our existence,—our health, our longevity, and our Christianity" (167:7).

The Golden Text is taken from I John (5:11): "This is the record, that God hath given to us eternal life, and this life is in his Son."

"China" Is Subject For Sorority Meeting

Mrs. Emogene Scott presented a program on "China" at the meeting of the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, at the home of Mrs. Becky Howard with the president, Mrs. Joan Tucker, presiding. Refreshments, featuring Chinese cookies and tea, were served by Mrs. Howard and Mrs. Valerie Davis, co-hostesses.

Plans were made for a Chinese New Year party to be held at the home Mrs. Lillian Beverly on Jan. 19 for members and their escorts. Named on the committee in charge of arrangements were Mrs. Mildred Schoeppe, chairman, Mrs. Lillian Beverly, Mrs. Hilda Jensen, Mrs. Marjorie Mock, Mrs. Evelyn Lair and Mrs. Elsie Sims.

Six Circles To Meet On Next Monday

The six circles of the Pahokee Methodist WSCS will meet separately at homes of members Monday. The Mary Martha Circle will meet with Mrs. W. S. Plumer, 10 a. m.; the Mabel Simonson Circle, with Mrs. J. V. Thomas, 3:30 p. m.; the Margery Lair Circle, with Mrs. G. W. Byrd, 3:30 p. m.; the Gertrude Shirley Circle, with Mrs. L. J. Fraser, 8 p. m.; the Miriam Circle, with Mrs. Jack Spencer, 8 p. m.; and the Vena Mae Schroeder Circle, with Mrs. Hazel Winch in her new mobile home, 8 p. m.

Ranch Visit For Group Of Children

Mrs. Roy Vandegrift, Sr., entertained a group of children by taking them on a tour of the V-W Ranch, followed by horseback riding and a hamburger fry at his Vandegrift home on East Main St. Children making the tour included Ruthelle Vandegrift, Kathy Boynton, Billy Preston, George Magrill, Beverly Wilkinson, Janet Meredith and Alice Johnson. They were joined at the hamburger fry by Mrs. J. H. Wilkinson, Jr., and daughters, Cathy and Linda, Mrs. Marvin Vandegrift, Mrs. Mert Fuller, Jack Sherrod and son, Don, and M. J. Sapp.

Palm-Lake Baptist Group Meets Feb. 8

A Palm-Lake Association meeting of the Baptist Woman's Missionary Union will be held at the Pahokee First Baptist Church on Feb. 8, according to announcement made at the January meetings of the four circles of the Pahokee WMU.

"Indians in the Southwest" was the program topic introduced by Mrs. Mary Hammond at the meeting of the Gray Jerriam Circle at the home of the chairman, Mrs. H. C. Graham. Program parts were taken by Miss Jane Plumer, Mrs. R. R. Henderson, Mrs. J. L. Humphrey, Mrs. R. S. Douthit, Mrs. W. M. DuBose, Mrs. Wiley Tillis and Mrs. Frank Thompson. The group will next meet with Mrs. Alex Johnson.

A report on the child at the Baptist Children's Home who has been "adopted" by the Betty Mills Circle was given by Mrs. W. O. Moss at the meeting at her home. Mrs. E. B. Gamble, guest speaker, spoke on "Effectiveness of Prayer." Mrs. C. L. Shirley, Jr., will be hostess at the next meeting at her home.

Mrs. E. B. Gamble presented the program, "Facing the Alcohol Problem," at the meeting of the Lottie Moon Circle at the home of Mrs. Adaline Wroten, with Mrs. Paul Watson presiding in the absence of the chairman, Mrs. Billy Sheffield. Mrs. Horace Unwin assisted Mrs. Gamble. Devotionals were given by Mrs. C. A. Batchelor, Mrs. J. C. Mock and Mrs. Unwin.

"Alcoholism" was also the program topic presented by Mrs. Edward Culbertson at the meeting of the Faye Taylor Circle at the home of Mrs. Milton Douglas, with Mrs. C. L. Shirley, Sr., and Mrs. Annette McCurdy assisting. Participating in the devotionals were Mrs. C. E. Williams, Mrs. J. D. Douglas, Mrs. Edwin Todd, Mrs. Lois White and Mrs. Gene Gore. Mrs. Lee Wroten, superintendent of the church nursery department, showed a film and spoke of the work in her department. Mrs. Edwin Todd was chosen as hostess for the next meeting and Mrs. F. Gillis, co-hostess.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Blue Devils Win 2 Close Net Games

Coach Bill Howard's Pahokee High Blue Devil basketball squad had two red letter nights during the past week as they chalked up their first two wins of the current season, beating the Clewiston Tigers, 48-38, Friday night and nosing out the Stuart Tigers, 51-49, in an overtime period Tuesday night. Both games were played on the home court.

Gary Sanders led the Blue Devils scoring in both games, accounting for 23 points in the Clewiston contest and 28 points against Stuart.

The Stuart game was a thriller, a see-saw affair all the way through with Pahokee behind, 25-21, at the half time, then pulling up to a 47-47 dead-heat finish that required an overtime to decide the contest. Each team had gotten two overtime points before Jim Suggs tipped the ball on the rebound into the basket for the two points that clinched the game for the Blue Devils.

During the coming week the Blue Devils will be away from home, playing the Belle Glade Golden Rams this Friday night and "the Lake Worth Trojans" Tuesday night.

Accepted was the bid for Cam-Mad Safety Equipment Company to furnish a ladder safety device for the waterworks water towers at a cost of \$508.63. City Clerk Patsy Batchelor was instructed to enter negotiations with the City of Lake Placid for 100 cubic yards of red clay for the infield of the baseball diamond at the City Park.

An official invitation for Pahokee city officials to attend the dedication of Lake Okeechobee's Herbert Hoover Dike at Clewiston was accepted.

James W. Vann reported on the progress being made by the special committee appointed by the council to devise a workable program under which the City of Pahokee can qualify under Section 221 of the Federal Housing Act for federal housing loans applied for by individuals. Councilman Billy McKinstry was named on the committee, replacing Councilman Hugo Boe, and Claude Shirley, replacing Lewis Friend.
